Purchase Now - June 30, 2018

\$29/student for one (1) year

\$57/student for three (3) years

Purchase July 1 – December 31, 2018

\$32/student for one (1) year

\$67/student for three (3) years

System Requirements

Schools should have basic and reliable Internet service, and students need access to a lab or in-classroom machines at least once a week (twice a week is better). Classrooms with one-to-one may show greater achievement gains.

Free Demo & Trial Account

MidSchoolMath offers a free product demonstration with access to a 30-day trial account with limited access.
